**LEONARD IS ASSISTANT GENERAL MANAGER.**  
Mr. J. W. Leonard has been appointed Assistant General Manager of the C. P. R. with headquarters at Winnipeg.

**NO HOPES FOR SIR OLIVER'S RECOVERY.**  
Sir Oliver Mowat took a sudden change for the worse after mid-night. Physicians look hourly for his death.

**LOCAL.**  
—Train left Red Deer on time.

—Calgary has an outbreak of German measles.

—England's Easter holidays were spoiled by bitterly cold weather.

—A considerable amount of local money has to be held over for tomorrow's issue.

—The Alberta estimates the number of settlers arriving in Calgary to be 500 a week.

—Contracts for sidewalks in Edmonton are at a standstill for lack of building material.

—There will be no tariff changes of any consequence during the present session of the House.

—Fifty-six car loads of settlers passed through Montreal last Sunday bound for the Canadian West.

—P. Anderson & Co. unveiled a new seventy-five horse power engine yesterday. It will be installed at their factory.

—Rev. J. & Scott, of St. Andrew's church, Brantford, has received the unanimous call of the Calgary Presbyterian church.

—Ninety cars of settlers effects and 600 passengers left Toronto last Monday on the fifth Grand Trunk excursion to the West.

—Out of ninety-eight members of North Dakota legislature, 21 members were born in Canada. Norway takes second place with 14.

—Arrangements are under way for a new issue of Canadian postage stamps to bear the head of King Edward VII. They will appear in July.

—Jno. Kennedy, farmer delegate, was in Ottawa Monday on his way home to Edmonton from England.

—Incorporation has been granted to the Canadian Cattle Company, which has a capital of \$300,000 and headquarters at Toronto. The company will confine their operations to Alberta.

—District Supreme Commander of the Macabees, Mr. Fred Brown, arrived in Edmonton yesterday from Leduc. He attended a special meeting of the local lodge last night.

—The Militia Department, Ottawa, have forwarded to the immigration authorities at Winnipeg 2500 tents to be used chiefly by the Barr colonists until suitable houses can be built.

—Forty per cent. of the Barr colonists are farmers, many with years of experience in New Zealand and Australia. Ten per cent. are carpenters and artisans; twenty per cent. are tradesmen and the remainder reserves, clergymen's sons, doctors and solicitors.

—Nor West Farmer, J. E. Sinclair, Prince Albert, has made a rare and valuable shipment to the well-known fur dealers, Ravillon Freres, Quebec, being two live silver foxes, male and female, valued at \$1,000. This is the first shipment of the kind from Prince Albert, and as far as known, from the North-West.

—Edmund, Mr. R. J. Mackenzie, superintendent of construction for the C. N. R., who has just returned from the Grandview district, states that the contracts for grading the main line as far as Battleford would be all let within a few days, and that, with a reasonably good season, the company would be able to complete its construction as far as Battleford this year.

—Rev. Mr. Eberman, who was to have spoken in the Edmonton Presbyterian church last Sunday on Christian Endeavor work, and who had to cancel his Alberta engagements on account of sickness, died at Banff on Sunday last. His wife was with him at the time of his death. The remains were sent to Bethlehem, Pa., the home of the deceased.

**COUNCIL MEETING.**  
The regular meeting of the Edmonton Town Council was held in the Council Chamber last night. Mayor Short and Councillors Gallagher, Cushing, Fraser, and Heimick were present.

An extensively signed petition was presented by Mr. Degendierfer objecting to paragraphs 10 to 15 of By-Law 242, with reference to forbidding the erection of iron-clad or brick veneer buildings on Jasper Avenue. Mr. Degendierfer and D. W. McDonald spoke in support of the petition. Mayor Short and various members of the council informed the petitioners of the council's view of the situation; the by-law was pre-eminently for the safe guarding of the town from fire but it would also tend to centralize the business of the town as well as add greatly to its appearance. On motion of Coun. Fraser, Cushing, the consideration of this petition was deferred for the present.

Jas. McDonald, building and fire insurance, reported that R. Matz was proceeding with the erection of a building contrary to the provisions of either the old or the new fire by-law and in defiance of the council's action in the matter. A resolution of the council was unanimously passed requesting Mr. Matz to comply with the by-law or that the necessary legal proceedings would be instituted.

On motion of Coun. Gallagher-Fraser P. Heimick was given permission to temporarily remove his building to permit of the erection of a permanent building on the old site.

The minutes of the last meeting of the council were then read and adopted.

Kelly and Beals were given permission to build a crossing from their warehouse across Queen's Avenue to J. B. Lubbuck's, provided they would do so at their own expense and comply with the by-law.

The auditor's report was read and adopted on motion of Coun. Cushing-Gallagher.

A letter was read from Gardner and Dalton offering to deduct \$50 from their contract with the town provided a railing and weather vane would not have to be built on the tower at the power house. Mr. Ashbridge reported that they were practically unnecessary and the council granted the request.

A letter was read from A. Brown with reference to the surveying of the Roland estate proposing an exchange of certain of their property for a part of the present nuisance ground. It was decided to make Mr. Brown the following offer: The estate to grant a strip of their property to make the present street eighty feet wide and also to grant a site for a town park. In return for this the council would grant the remainder of the nuisance ground.

The Secy-Treas. of the Edmonton school wrote the council requesting the building of a sidewalk from the north-east corner of Elizabeth street and the west side of McDougall street to the public school. A long discussion followed about making part of the cost of the sidewalk chargeable to the property holders along said streets. It was decided to defer the request for the present and meanwhile request petitions for said sidewalks to be handed to the council.

Jno. E. Graham offered the council in exchange for lots 36, 37, 38, Block 1, R. 1, 14, his own three lots across the street and \$500 additional. Mr. Graham's present lots are in danger of being rendered valueless by the breaking away of the river bank. The council signified their willingness to part with lots 36, 37, 38 for \$500 and the lots in question.

Coun. Heimick's letter favoring the appointment of additional town police and suggesting J. Brunella as a suitable man was read. In connection with this, applications were read from Alex. McKinlay and A. Goodridge for the position of teamster for the town fire brigade. The applications were referred to the Power, Water, and Light committee with power to act at once—the committee to act as special constables in conjunction with the present town police.

Tenders for a sidewalk on Fourth Street were read from Wills and Degl at 40 cents a foot and 55 cents a foot for the crossing. This tender, the only one received was accepted.

Letters were read from Mr. Ashbridge and W. Chignas with reference to tenders for the water tower. Four tenders in all were read. There were left in the hands of Mr. Ashbridge, town engineer.

The council adjourned at 12 o'clock p.m. to meet to-night at 8 o'clock.

## AN OPEN LETTER

To the Builders of Edmonton District.

Gentlemen: No doubt you have heard and read in the papers recently a great deal about the so-called "LUMBER COMBINE" and the consequent advance of prices. In this connection a few statements of fact from us may be in order. The manufacturers of British Columbia advise us that the advance in prices is due to the increased cost of labor and of materials and that this justifies the advanced prices to the trade. Whether this is true or not we are not in a position to judge.

But we do know that it is very difficult to get orders for B. C. lumber filled with any degree of promptness. Many of the mills are sold out of stock and cannot at present ship a car. We therefore claim that the advanced prices are due to scarcity of lumber. The price of any commodity is regulated in our day not so much by the cost of production as by the general demand for the commodity.

As to our own prices we beg to say that we are careful to see that they bear a right relation to cost. We cannot help the rise in B. C. lumber because the cost price is considerably advanced. But in the line of our own manufacture such as Windows, Doors, Frames, etc., our prices are lower than the prices for the same articles either in British Columbia or Manitoba. This will indicate to you our position in this matter.

In view of the scarcity referred to if you are building or intend to do so, we advise you to place your order with us as soon as possible so that we may get in a position to fill it when required. We promise to do the very best for our customers that circumstances will permit.

Very Truly Yours,

## VEGEEVILLE.

This week we are called upon to chronicle the death of Miss Tetra—a young lady who was for some time a student at the Saddle Lake Roman Catholic Mission. Quite recently she was seized by an acute attack of brain fever and became delirious for four days before medical aid was summoned. The fever had made such progress that little or no hope was entertained for her recovery, and on Saturday evening she was called from time into Eternity. She will indeed be sadly missed in the house from which she has gone, as she was a bright young girl, just blossoming into ladyhood. Her death, in the prime of maidenhood, speaks with much force to any thoughtful, youthful reader of these lines, for we are again reminded that the words of the Psalmist are true. "As for man his days are as grass, as a flower of the field, so he flourisheth. For the wind passeth over it, and it is gone; and the place thereof shall know it no more."

On Friday evening of last week, Dr. Rush was summoned to the Norwegian Settlement, twenty miles south-west of our village, to attend a Mr. Erickson who was so unfortunate, while working in the woods the previous day, as to break both bones of the right leg below the knee. At the time of the accident both bones were fractured through the flesh, making a ghastly wound. The leg was carefully set and Mr. Erickson was sent via Wetaskiwin to Edmonton to be cared for in the hospital. Mr. Erickson is a widower and has no relatives in this country. We wish him complete recovery.

On Saturday morning of last week a little infant four months old died from pneumonia. She was the daughter of a Mr. Tison, a man who had the day before arrived from the States to take up land about twelve miles south of Vegreville.

Miss Wilson, who has been living at the home of Dr. and Mrs. Goodwin, returned to her home at Beaver Lake on Monday of this week.

Mr. and Mrs. Lambert left last week on a business trip to St. Paul's Landing, where Mr. Lambert is busy engaged in building a sawmill which he hopes to have in operation shortly after seeding work is completed.

Feed has become quite scarce amongst the ranchers of the north country so much so that a huge moose plow made of logs and driven by ten strong horses, has been used to clear the snow from large stretches of prairie, that the herds might find sufficient nourishment. Spring has arrived and many are awaiting the arrival of migrating grass.

Weather is fine now. Farmers are getting their seed grain ready for sowing. The snow is not all gone yet but is going fast.

Mr. Bruce Hawker is building a nice frame house on his land and is going after his family soon.

Mr. Hawthorn has got his new boarding house almost ready for occupation. They have had a sad bereavement since they moved out; they lost their youngest daughter a week ago with scarlet fever. They have the sympathy of the whole community in their trouble.

Joe Tetra who has been suffering so long with appendicitis had to be taken to the hospital for an operation.

Our new storehouse is almost completed, then Vegreville can boast of three stores.

Mr. Gus Wilson has moved his family to their new house and he has gone back to Strathcona to work.

Mrs. Rogers has moved back to their new homestead. Her husband is coming soon.

Mr. Bowen's little girl has been suffering for some time with inflammation of the brain, but is improving under the care of Dr. Rush.

Mr. Tetra's daughter died a few days ago with brain fever and was buried at Saddle Lake. She was 18 years old and will be sadly missed by her parents and friends.

## FAREWELL PRESENTATION AND ADDRESS.

The Bulletin staff met last night to bid farewell to Mr. W. J. Hunter, who left to-day for Fort Saskatchewan. The following address was read and presentation made on behalf of the staff:

Edmonton, Alberta, April 15, 1903.  
W. J. Hunter,  
Dear Friend:

As you are about to sever your long connection with the Bulletin we, your friends and fellow workers, take this opportunity of expressing our regret at your departure from our midst, and extending you our best wishes for your future success in your new enterprise, the Fort Saskatchewan Reporter. That you may ever remember us as your friends we ask you to accept this easy chair as a slight token of the esteem in which this office holds you.

Signed on behalf of the Bulletin staff,  
Frank H. Kitter,  
Business Manager.  
Alf. F. Haines,  
Foreman.

## RE-ARRANGING BOUNDARIES.

Ottawa, April 9.—Major Hubbell, D. L. S., of the Department of the Interior, left this evening for Edmonton, N. W. T., to be gone for eight months on a surveying trip. With him he takes three Ottawa boys, Harold McDougall, Burke Gray and Richard Teggart. The work of the party will be at Wetaskiwin, forty miles south of Edmonton, and it will take a party of ten men eight months to do the work laid out in surveying new townships and re-surveying others for the purpose of the redistribution bill. Other parties will be sent out shortly on similar missions.

STORE NEWS

\*\*\*\*\*

## THE STORE OF THE TOWN.

## Perfect Store-Keeping is Our Aim

In every act we try to approach the standard of perfect store keeping. While no house can hope to reach this goal at a single bound, we make it our daily endeavor to progress toward the ideal, which we have not as a standard. We believe that quality and liberal policy are the superstructure, because low prices have little or no significance if quality is lacking; and a liberal policy that insures an exchange of merchandise or your money back if dissatisfied lends an air of freedom and independence to shopping that robs it of objectionable features. Our liberal policy has done more toward making shopping a pleasure than a mercantile innovation ever warranted, because we live up to it by making it the first law.

## LACES &amp; EMBROIDERIES

**AIRY, FAIRY LACES.** If we could tell the beauty of this display of cowbeauty laces, these counterpane of the dew-beangled creation of the insect which spins its silken threads at night to glisten in the glory of the Spring morning, it would make our lovely laces no more real. Come and see them.

**Lovely New EMBROIDERIES.** Exactly these lace edges on nice cloths that appeal to women who desire quality.

## BOOTS &amp; SHOES

**BOYS' & GIRLS' SHOES.**—Good, reliable shoes for school or dress. If every mother in Edmonton knew how good and low priced are the shoes for children which we have, we should still have to say something about them every little while out of pure enthusiasm, and to let the newcomers to Edmonton know that the best is always the cheapest; and we have the best for your money.

Men's and Boys', Women's, Misses' and Children's RUBBER BOOTS in all sizes. Shoe department on main floor, rear of left hand aisle.

## MEN'S CLOTHING

**"BE WELL DRESSED this Spring."** There's a prosperous look to the well dressed. We can dress you. "Facts are stubborn things" and when we advertise the best clothing for little money and back up the statement with the goods it is not hard to convince you that there are many reasons why we hold our patrons and why we are able to make so many new ones.

Picadilly Suits \$12 to \$30

"Overcoats" \$10 to \$22-50

Picadilly Trousers \$3 to 6-50

## MEN'S HATS

**BROWN IS THE ELECTED COLOR.** The color demands it of most every shade. We have just twenty-five different styles of hats, both soft and stiff in all manner of browns. Also black; if you prefer it. They include the initial blacks sponsored by the Charge-for-the-label hatters, and a few exclusive ones. We ask \$2.50 for the hat—nothing for the Lacie, yet it identifies as much style and material quality as any of them.

# HOMES! HOMES

W. H. HOOPER COMPANY

OFFERS ON

MONDAY, MAY 4TH, 1903,

200 LOTS

50 X 150

ON

Kenneth Macdonald Flats

The Finest Alluvial Soil on Earth.

On each Lot enough may be grown to support a family,

The property adjoins Little's brick yard on the South, the Experimental Farm on the North, and overlooks the Saskatchewan on the East.

The opposite bank of the river, rising in natural terraces from the water's edge to an average height of 150 feet, beautifully wooded, affords A PANORAMA OF HARMONY AND DELIGHT.

Edmonton has passed the experimental stage, and will possess in a few years a metropolitan population.

The Railway Question is settled. The Canadian Pacific, Grand Trunk and Canadian Northern are assured quantities.

A fact not generally known substantiates that Edmonton will be a terminus for some years, is that the carrying capacity of the Canadian Pacific exceeds the Oriental and British Columbian trades combined, and the three great roads mentioned will halt before pushing on to the Pacific, thereby making our city of vastly more importance than it would otherwise have been.

Much of the timber is primeval. The principal streets will be boulevarded, and ancient growth furnish overshade.

Maps and schedules of prices open for inspection at W. H. Hooper Company's Office on May 4, 1903.

Real Estate. W. H. HOOPER COMPANY. Edmonton.

## LOWER STURGEON

The bridge at the "Crow's Nest Pass" is now completed and the bridge-gang are working on Lamoureux's bridge. The two new bridges are well and strongly built and will no be taken out by the ice.

Everything which was sold at Mr. A. Lamoureux's sale on April 7th brought a high price. We understand Mr. Lamoureux is going to reside in Port Saskatchewan in the near future.

Mr. Wm. Taylor has gone to the Athabasca Landing to build boats for the H. B. Co.

Mr. Wm. McDonald, of Bon Accord, sold his farm for a good figure.

Mr. Thomas Mulligan is slowly recovering from his illness.

Mr. Astley, of Astleyville, lost a valuable horse on Sunday last.

Mr. P. Conway intends to take a trip to Ontario in May next.

The Bon Accord Literary Society closed for the season on Friday night last. Owing to the storm a small crowd was in attendance. Nevertheless a very pleasant time was spent. The following subject was debated by our junior debaters: Resolved, That love is a stronger passion than hatred.

Speakers: affirmative, Mr. Geo. Mulligan and Mr. Roy Routtett. Negative Mr. Wm. Mulligan and Mr. Pearl Boutwell. The judges decided in favor of the affirmative. The following programme was then rendered. Recitation Miss E. Mulligan. Reading, Mr. Wm. Mulligan. Reading, Mr. A. Rafal. Reading, Mr. M. H. Coughlan. The Bon Accord Weekly Budget was read by the editor, M. H. Coughlan. The society now adjourned to meet on Wed. Nov. 4th, 1903. This has been without doubt the most successful season of this society. It has had weekly meetings throughout the season and of those only two meetings were poorly attended. Great interest was taken in debates, essays and programmes, and judging by the progress made by our junior debaters, there is no doubt but what Bon Accord will soon have its quota of full-fledged orators. The society owes a great deal of its success to the efforts of its president, Mr. Marston, and vice-president, Mr. Rafal, who took an untiring interest in its proceedings. As a result of challenge debates this society was twice beaten by Kamato and beat Poplar Lake once. The committee of the Sturgeon Rifle Association intend to go out on Saturday 18th, to look up a place which will make a suitable rifle range.

WILL OFFER ON

MONDAY, MAY 4th, 1903,

200 = LOTS = 200

A portion of the ROWLAND ESTATE, otherwise known as "THE SYNDICATE."

Plans and Prices can be seen at the Office on and after the date mentioned.

\*\*\*\*\*

This is the closest and best property available, and the choicest in and about Edmonton. The furthest part is from 10 to 15 minutes from the post office. The property is eminently the people's portion: is not controlled by a policy of inertia dictated by "Hebraic Hatred." The surveys conform to existing ones, and the streets will be projected to their legitimate confines. Building Sites on the verge of the hill overlooking the mighty Saskatchewan, the foliage and verdure of whose banks is not exceeded by the fiercest tropics or softest Pacific scenes, abound. Prices will be uniform and moderate, tempered as a corrective of the present indefinite craze.

TERMS.—One third Cash. Balance 6 and 12 months, interest 8 per cent. Agreements \$2 each, transfers free.

### WINNIPEG MARKETS

Winnipeg Commercial, April 11th.—WHEAT—Manitoba wheat has been steady and firm all the week and has advanced about the line with the advance in outside markets. The most important change in the market is the spread between spot and May delivery which is now only 1-2c. per bu. It may also be noted that the higher grades have advanced more than the lower. There is a fair demand for 1 hard and 1 northern, but not nearly so good for 2 northern and lower grades. At the close of business to-day we quote 1 hard 75-76c. 1 northern 74c. 2 northern 71-72c. 3 northern 68-70c. spot or delivery, first half of April, and for May delivery 1 hard, 76c. 1 northern 74c. 2 northern 72c. 3 northern 68c. all in store Fort William, Port Arthur or Duluth.

OATS—There are plenty of oats offering for all the requirements of the moment and market holds at about the same level as a week ago. No 1 white in carlots on track are worth 22c. per bushel; No. 2 white, 20c. and feed grades, 18c. Farmers' loads on the street are bringing 25c. and at country points about 25c. Brokers are asking 25c. to 26c. for carlots in the country, at five points. Seed oats are worth 35c. per bushel.

BARLEY—Movement is light and prices unchanged from a week ago. Sales have been made at 38c. for cars of No. 3 barley, Fort William. Dealers are offering 38c. per bushel for May barley, delivered after the opening of navigation. About 36-40c. is the value for spot in carlots on track.

### FROM THE FAR NORTH

Mr. K. Gordon, from McMurray, arrived in town Monday. The gentleman is one of the large fur traders along the Athabasca river, having his headquarters at Ft. McMurray and posts at the Red River, Brulee Point, etc. Mr. Gordon made the trip with dogs and brought part of his winter trade with him: the same containing fur of a very high grade, as prime skins of martin, foxes, mink, linx, etc. His whole outfit of furs, which he estimates to be worth about \$5,000, will be put up for sale immediately.

Mr. Gordon reports a general good trade and fur plentiful. Lynx, a fur great in demand and paying the highest price known in the history of the fur trade, is rather scarce. Mr. Gordon had the bad luck to be caught in the sealing ice and his goods instead of reaching the main distributing centre of his trading posts, had to be left at Grand Rapids. Rule Point and other places along the northern freight line. He was rather short on goods and had to refuse several large quantities of

fur offered to him by the Indians. Mr. Gordon will outfit, as soon as his furs have been disposed of and return to Ft. McMurray with the first open water, starting from Athabasca Landing and using scows to convey his goods.

Mr. Charles Smith, of Klondike fame now trading at Fort Chipewyan, also arrived and is making his headquarters at Strathcona. He brought a small collection of fur down with him.
